HAPPY 2020!!!

It is hard to believe that we are entering into a new decade!
This year, let's all demonstrate the mission of Pilot International....to influence positive change in communities.
Come together in friendship and support each other.

Make some Pilot resolutions in 2020:

1. Talk about Pilot everywhere you go.
2. Invite perspective members to your club.
3. Respect and follow the Code of Ethics of Pilot International.

In Pilot Friendship,
Governor Leslie

ECR Message- Lisa Patterson

Happy New Year, North Carolina Pilots!

The new year brings many opportunities including ways for you to serve Pilot. The North Carolina District needs your time and talents. Step up and accept a nomination to serve as a District Officer. District Officers provide leadership and work as liaisons with the Executive Committee Representative. Make a New Year's resolution to serve your District. Candidates are nominated and accept nominations for district office 60 days prior to District Convention.

Put March 15, the deadline for Scholarship Applications, on your calendar. The Pilot International Founders Fund supports five Scholarship Programs to benefit graduate and undergraduate students studying for a career in one of Pilot's service focus areas. We also offer three additional scholarships for students involved in Anchor. March 15 is also the deadline for this quarter's Helmet Grant applications and Pick Me Up Grant applications. These scholarships and grants are made possible through the generous donations of Pilots.

Pilot International wants to recognize Pilots for their time and financial contributions. For club and member recognition at District Convention, Pacesetter, 250 Club and 250 Member Contributions must be postmarked no later than February 1.

Wishing you a year that's promising, exciting, inspiring and full of fun. Let's make 2020 an outstanding Pilot year!

Lisa
