Governor's Message

Yes, it is a **Happy New Year in Pilot**, and I am thrilled to be your Governor. I know I will need a great deal of help, and many of you have already stepped up and offered me guidance and support. It is so appreciated.

Your 2017-18 DAC has already had two official meetings, and it's not yet July! We are ready to go. Our first DAC meeting was on Sunday, May 7, and our second meeting was on Saturday, June 17 via SKYPE. This was a "first" for us, and we graded it A+. We stuck to our agenda (pretty much), and accomplished so much in an hour. Using this form of communication saved the District approximately \$400 in mileage reimbursement. Our main focus was planning our Fall Workshop – Sep 22-23 at Haw River State Park - Brown's Summit, NC (near Greensboro). Since it is sooner than last year, we wanted to go ahead and give you the registration form that Jodi prepared for us. It is on the back page of this bulletin. We know some new information will be presented at the Council of Leaders in Las Vegas, particularly new BrainMinders, and a detailed agenda will be sent in subsequent correspondence. I am excited to see the new BrainMinders' program. We have some informative presentations planned in Haw River, and we know we will all learn a lot to take back to our club members. We will also have some Friday night fun too. I hope each club will be represented. This bulletin serves as your official notification which is required at least 60 days prior to the workshop.

I will be contacting club presidents about official visits for the coming year, so please be thinking about what would work best for your club. It can be a club meeting, a fund-raiser, or a club project.

Jordan and I will be attending the PI Conference in Las Vegas next week along with approximately 28 other NC Pilots. The NC Luncheon is Friday, Jul 7th from 12-2. Each member will receive a boxed lunch. We hope that Kim Smith and the Anchors will be able to join us.

Here is my motto for this coming year from John C Maxwell's book, *The Right to Lead*:

**"Your talk talks and your walk talks,
but your walk talks louder than your talk talks."**

In Pilot Friendship, Service, Love, and Laughter,
Governor Joyce

The Chaplain's Corner

As a new Pilot year begins, one word continues to come to my mind. "Transformation!" I am excited to see how our members, clubs and district will be transformed by this year. We have a fresh opportunity to extend service and friendship to each other and our communities. I know our new DAC will lead us to greatness in 2017-2018.

I was both humbled and honored to be asked by Governor Joyce to serve as District Chaplain this year. My email address is paula.haste@yahoo.com. Please share your joys and concerns with me throughout the year.

I would love to receive your club newsletters to help me keep up with the needs of your members. Also, please use the Chaplain's form located on the NC District website (www.pincdistrict.org) to notify me of any deaths and be sure to include an address of the nearest relative/friend. You may mail Chaplain's forms to me at 2908 Daffodil Drive N., Wilson, NC 27896-6913.

In lieu of a devotional message this month, I'll leave you with a quote from Albert Einstein. "There are only two ways to live your life. One is as though nothing is a miracle. The other is as though everything is a miracle." Be transformed by God's blessings in all things, big and small, today!

Please remember our NC delegates as they travel to Las Vegas, NV for PI Convention.

Webmaster Request

Our NC District website is always a work in progress. I need your help to freshen it up a bit this year! Please notify me of your club's website and/or Facebook pages. I would like to link to those from the district website. This will be a good way to create a central area of collaboration where members can stay well-informed of the great things each club is doing throughout the year. Please send your information to paula.haste@yahoo.com.
