## GOVERNOR'S MESSAGE.....

My Dear Pilot Friends,

I just want to send a big thank you to everyone for allowing me to be your Governor for two years. It has been an honor and a privilege to serve this wonderful NC District.

I want to give you a few membership facts about our district:

We have a total of 19 Pilot clubs and 3 District members with a total of 367 Pilots. We have a total of 13 Anchor Clubs with 2 new clubs that chartered in 2019.

I am so proud of every club and their service to their communities. It is amazing to me what all is accomplished and how much work Pilots do! In these last few months when our world has changed so much, you Pilots continue to give and do for others as you always have done just in different ways. The work has not stopped thanks to our devoted Pilots!

I cannot thank my fellow DAC officers, Kim, Sue, and Kay, enough for all they have done to put up with me and work alongside me. You guys are awesome and are great examples of the Pilot Creed. Kim and her new DAC will truly be a fantastic team to lead this district!

Thank you to all my appointees who said yes to me whenever I asked! We all have been a great team together! I hope a lot of you will go on to be leaders of this district.

I would also like to thank my Parliamentarian, Carol Sanders, for her great guidance and wisdom and making sure that I did not mess up too badly!! You sure listened to me a lot and I am so grateful!

I don't even know how to thank my club, Pilot Club of Laurinburg. You guys have always been there to support me and would always do anything that I needed. Thank you so very much!

I cannot end this without thanking Sarah Logan for making me believe that I could serve as Governor. Her pep talks, encouraging notes, smiles, and hugs helped me more than she will ever know. You are the best, Sarah!

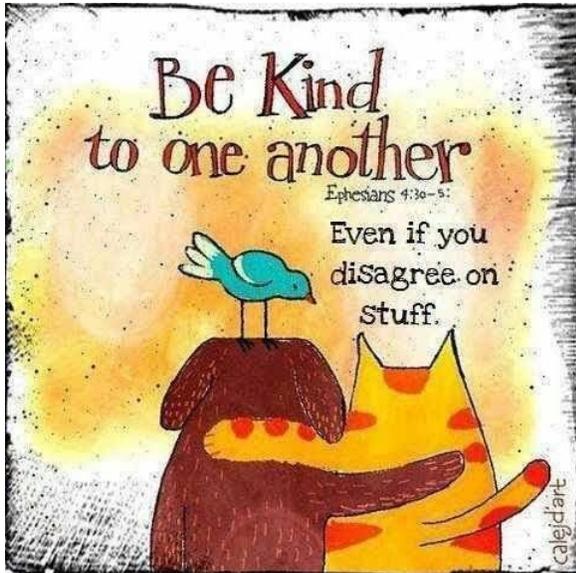

So, thank you to all NC Pilots! I love being a part of this great family!

Let's all show our support to the incoming officers, Kim, Desi, Dorothy, and Kay for a successful 2020-2021! I know this coming year is going to be fabulous!

I look so forward to all of us being together again with good food and laughter!

In Pilot Friendship and Love,

Governor Leslie

This is my last Inspirational Moment as your NC Chaplain.

I hope that you have been encouraged by my random thoughts and messages for the past two years.

It has been my pleasure to “crank out” something that I hope made sense to you all!!! I hope that it helped you to get to know me a little better and maybe to get you to see things in a way you wouldn't normally.

I hope that all of you felt comfortable reaching out to me when you needed a little extra and that each of you felt comfort in the knowledge that I pray for each and every one of you.

I have learned that in a Club full of a million personalities, talents, gifts and ideas.....we are all very similar in that we are here to serve!!!

I love all of you and I look forward to seeing you as soon as we can!!

Grace and Peace

Bridget Weston

## ECR MESSAGE

June is the time for looking forward to our next Pilot year. Clubs and districts are setting goals for 2020 – 2021 and writing Plans of Work. Even though 2019 – 2020 held unexpected challenges, we stood strong and overcame the changes and hardships we faced. As plans are being made for the upcoming Pilot year, look at all you accomplished during these difficult times and how much more you can accomplish working side by side.

Our Pilot International Convention in Atlantic City has been cancelled. We are all disappointed that we will not reunite with friends and make those new friends. But we are Pilots, and we keep the True Course. Elections, budget approval, fundraisers, workshops, Council of Leaders and Pilot International officer training will take on a different look this year.

Videos from the nominees for Pilot International Executive Committee are on the PI website, [www.pilotinternational.org](http://www.pilotinternational.org). Get to know the nominees and their vision for Pilot. Take a look at the videos.

Voting for the PI Executive Committee and on the Proposed Pilot International Budget will be via email. Club delegates, International Administrative Council and Past Presidents will receive voting instructions and ballots.

Your district officers will still receive the training needed for a successful year. Council of Leaders and district officer training will be held virtually on June 27, 2020. How fortunate we are to live in this age of technology.

How many of you want to be a big winner? \$\$\$\$. Keep your eyes opened for PI fundraising and Calcutta opportunities.

Workshops are being planned and will be made available on the PI website. Topics such as MemberClicks, voluntary hours, PIFF, Compass, Anchor, fundraising, and projects will be included.

We all look forward to the time we can be together and give those Pilot hugs. I have been honored to serve as your ECR this year. Thank you for an outstanding 2019-2020 North Carolina District year and best wishes for a successful 2020-2021 Pilot Year.

Lisa Patterson  
2019-20 Treasurer

Hello my fine Pilots!

WOW! June is here already, and what would be an anticipated trip to Atlantic City for the 99<sup>th</sup> annual Pilot International Convention will be transformed into a virtual startrekky cyber experience for your DAC with the Council of Leaders. I can't wait for us to share how that plays out.

And as we are adjusting to our new way of living - sanitizer, masks, more social media outlets, an occasional trip for groceries (or perhaps the goods are delivered), my mom would say "Who knew?!?" That's been her statement for 'all righty now, we sure didn't see that coming, let's move forward!'

So I would like to request from each of you if you would - think about and jot down some of things you do the same or differently now that brings you joy and laughter.

(I've been coloring, taking pictures, and catching my wild child in action)

Please send to me at [kimwsmith@yahoo.com](mailto:kimwsmith@yahoo.com), or call/text 919-413-0934.

Thank you so very much for just being you!

Yours truly (:

Kim

2020-2021 NC Pilot District Governor

WOW! I can't believe it's been two years since Leslie, Kim, Kay, and I started our journey on the NC DAC! I would like to take this opportunity to thank Governor Leslie for serving these past two years. It has been a lot of work but we had a lot of fun along the way too! Thank you Kim, Kay, Desi, and Dorothy for steering our Pilot boat into the new year! We have had some setbacks, but our boat is still on it's True Course Ever for a great year ahead! It has been an honor to serve as your District Secretary and thank you Pilots for your support! I hope to see all of you this fall at fall workshop. Stay safe and healthy this summer and I look forward to this fall!

In Pilot Friendship,  
Sue Wage

**SAVE THE DATES!**

*FALL WORKSHOP- SEPTEMBER 19, 2020-MORGANTON, NC*

*DISTRICT CONVENTION- APRIL 9-11, 2021 HICKORY, NC*

Dear Pilots,

I hope each of you are surviving this stay at home necessity. Please be careful as we transition back into our

daily lives. It has been an adjustment, but it has reminded me of the happy times I had growing up.

It has been my privilege to serve as the district treasurer these past two years. It was a tremendous learning experience for me. I could not have done it without the help of so many of you. Your knowledge of the process and your patience with me as I went through this will always remind me of just how kind and generous Pilots are. Thank you so much for all the advice you gave me. I hope I have been a good steward of our district funds.

But you haven't gotten rid of me yet. You have one more year of my serving the district as your treasurer. Surely I will get it right this time!!!

I look forward to the day we can gather again for fun and fellowship.

Yours in Pilot Service,

Kay Pendarvis

District dues should be mailed to the District Treasurer by July 1. There is a new Treasurer's Report form. Hopefully it will be easier to use. If you have Microsoft Word, you can type directly onto the form. The form is on the district website ([www.pincdistrict.org](http://www.pincdistrict.org)).

Please mail the dues to:

Kay Pendarvis

111 Parmer Street

Forest City, NC 28043

If your club members need to use the semiannual dues payment plan, please do so. The schedule for payment amounts can be found on the Treasurer's Report Form.
