" You cannot get through a single day without having an impact on the world around you. What you do makes a difference, and you have to decide what kind of difference you want to make."

INSPIRATIONAL MOMENT
BRIDGET WESTON, CHAPLAIN

I

At church, our Outreach Pastor charged us to make “Memorial Moments”. He explained that this was along the lines of a back to basics line of thinking. It meant to take a few minutes, and remind ourselves of the solidarity of family, our love for the Lord, and what this thing called life was actually all about. Basically a STOP AND SMELL THE ROSES CHALLENGE.

We as clubs need to ask these same questions, from time to time. We need to make sure that our hearts and minds are on what we want to accomplish as a club. What is most important to us? Why do we do this? We need a refresher so that we don’t just go through the motions, but so that we are going into our communities with passion for who we are as Pilots and all that we do!!!

As a club, what are our Memorial Moments.

“Getting lost in the ‘big picture’ often prevents us from cherishing the ‘small moments’ that make it all worthwhile...”

– J.R. Wirth

Greetings Fabulous North Carolina District!!

Our spring membership incentive drive is in full swing and ends on March 15th! This is the perfect time to think about developing strategies around growing your membership. Pilot is a treasure; our organization is full of members that have one trait in common - the passion to make a difference in the world.

Now is the time to “Add One” and share your passion for Pilot. The **Membership Drive** tab on our website has great information to get you started. In addition, **The Membership Guide** and **New Member Orientation /Mentoring Made Easy** guides are fantastic resources for your membership teams to consider when looking into growth and development strategies. They are located under the **Top Member Resources** tab on the Pilot International website.

Clubs with 25 or less	25-40 members	41+ members
25% growth: \$25	25 % growth: \$100	25% growth: \$250
50% growth: \$50	50% growth: \$150	50% growth: \$350
75% growth: \$75	75% growth: \$200	75% growth: \$500
100% growth: \$75 plus 1 Convention registration	100% growth: \$200 plus 1 Convention registration	100% growth: \$500 plus 1 Convention registration

Membership Development ideas can help with recruiting, mentoring, retaining and reclaiming members. Retention should be a constant concern. Every member in your club joined to become part of something big, and if they aren't being given a chance to make a contribution to the club, slowly but surely, their satisfaction level may begin to decline.

One strategy is to focus on happiness: happy members are those that are motivated to do good for the club. There are many ways to keep members happy. Ask your members what makes them happy. Such a simple act shows your members that you care about their presence in the club.

Has your club met President Cupit’s Challenge? Clubs are challenged to grow by 15% and Districts by 1 new club. Clubs can plan ahead for all of their new members by ordering our New Member Bundles from the Pilot store. They are a perfect welcome package! Make sure every step of the way while recruiting; you are adding value to the Pilot experience. Together we can make this one of our best drives yet, so start asking prospective members to join today!

“Growth is essential to Pilot’s continued legacy”

Does your club conduct an amazing Pick Me Up, have great visibility or a super server among you? The Pick Me Up Award, Outstanding Pilot Club Visibility award and the Pearl Sparks Service Award are just a few of the awards that will be presented at the Pilot International Convention and Leadership Conference in July. Applications and nominations are being accepted now through May 15th. This year it is easier than ever to complete the process with our writable forms and electronic submission. We look forward to celebrating YOU in Chicago! They can be found under the **Pilot Awards Forms** tab on the Pilot international website.

See you soon!!! It’s gonna be a great time!!
